National Actions/Initiatives to Support the Development of Environmentally Sustainable Cities

Plenary 1/Day 1 5
5th High Level Seminar on ESC
28 Feb 2014
Surabaya, Indonesia

Policy of MoNRE on ESC

The MONRE of Lao PDR has a policy to encourage the cities in Laos to be “Clean, Green and Beautiful” so that they become environmentally sustainable without compromising the quality of living of the next generation.

In order to encourage cities to be ESC it is necessary to operationalize the Concept of ESC (Put the Concept in Practice).

Environmental Protection Law

National Environmental Strategy

Action Plan of Line Ministries

Action Plan of Local Departments

Dept. of Natural Resources & Env.

Dept. of Public Works & Transp.

Dept. of Health

Other Depts relevant to ESC

ESC_GL lead to a Cross-Cutting Standpoint for the common objective "ESC"

Six steps for ESC

A) Establishment of Organizational System for ESC Promotion

B) Study of the Current Status

C) Formulation of Vision for ESC

D) Formulation of an Action Plan

E) Implementation of PDCA (Plan-Do-Check-Action) Cycle

F) Application of Experiences and Lessons to Other Activities and Other Sub-Sectors

Way Forward

Thank you for listening
