Resilient:
- *WE will have the capacity to “bounce back” from disaster impacts*
- *WE will be able to manage the un-avoidable (e.g. Typhoons)*
- *WE will be able to accommodate and adapt to new development demands*

Vibrant:
- *WE will have a bustling economy*
- *WE will be attractive to tourists and investors*

Livable:
- *WE will be living in peaceful, safe, and sustainable environment*
- *WE will have access to prime social services*
- *WE will have continued jobs and livelihood opportunities*
- *We will sustain our transparent and accountable governance system that listens and works with all of the city’s constituencies*
